Dear Sir:

Responding to your letter of Inquiry, the American Journal of Numismatics is no longer being published; instead we issue the "Numismatic Notes & Monographs" of which I am enclosing a list. I am also enclosing a list of other publications of this Society which are still in print.

I would suggest your communicating with Mr.F.G.Duffield, (4215 Fernhill Avenue, Baltimore, Maryland) editor of "The Numismatist", a monthly publication devoted to numismatics, which might be useful to you.

Very truly yours,

Secretary.
